Dear JLA Supporter,

On behalf of The Junior League of Austin, we would like to invite you to participate in our 2019-2020 sponsorship program and help us improve the lives of thousands of children and families throughout our local community. By joining with us you not only increase your company/organization's brand visibility to thousands of potential customers, your organization also receives the benefit of participating in impactful corporate citizenship initiatives.

With your sponsorship, The Junior League of Austin is able to fulfill its mission of promoting voluntarism and developing the potential of women while also supporting the League's signature impact programs Coats for Kids, KICS - Kids In Cool Shoes and FIT – Food In Tummys. Through these programs your sponsorship helps us provide over 30,000 warm winter coats to qualifying children throughout Central Texas and supply weekend nourishment to over 1,000 elementary children in the Del Valle Independent School District.

Sponsorship benefits include logo recognition at events and in printed materials, and access to some of Austin's most fabulous events. Sponsors are also actively promoted year round on our website, through social media posts, in our publications, and through our 2,500 plus members. Please contact us for more information on program benefits. We look forward to partnering with you in 2019!

Sincerely,

Stefanie Bertram
