## EMPLOYER MATCHING DONATIONS FOR JLA

### Double Your JLA Donations with Employer Matching

Check if your employer offers a matching gift program by asking your HR department. JLA's EIN is 74-1168918.

Is your company doing something special for Giving Tuesday on December 2, 2025? Let the Fund Development Council (FDC) know!

Many companies match donations dollar for dollar or even double or triple gifts made by employees. Some also provide matching funds for volunteer hours.

Ensure your employer information is accurate in your Digital Cheetah member profile, as well as your partner's. JLA uses this data to maximize matching gift programs
