

Merchants for the A Christmas Affair event are selected via jury process. Merchandise samples and booth photographs are a requirement of the application process. Applications without samples and photos may be rejected from the selection process. The Merchant Committee receives hundreds of samples, so please label all items with your merchant name and include this form in your package. Please upload booth example photos with your online application. Booth presentation and beautification are a very important aspect of A Christmas Affair, so sample photographs should accurately represent the presentation of your merchandise and booth display.

You may donate your samples or request that the items be returned to you. Consumable samples (food, candles, etc.) WILL NOT be returned and are automatically considered to be donated. If you would like your samples returned within three weeks after the selection process, please attach a proper prepaid return mailing label. Any samples without a prepaid mailing label will not be returned. We cannot accept cash or checks for return postage. If you choose to donate your samples, the items will be sold at an auction during A Christmas Affair with all proceeds going to support the mission of The Junior League of Austin.

Note that an application may be considered incomplete if samples are not received by Friday, March 13, 2020. Perishable food samples will only be accepted from Monday, March 23 to Thursday, March 26.
