

FAIR MARKET

Public Parking Options

Updated 01/22/2019

There is accessible street parking throughout all of East Austin. Premium Parking has several lots in the area that can accommodate special requests (ie: parking rental vehicles, etc.)

- [Premium Parking/Special-Requests](#)

The metered parking on 5th Street in front of Fair Market is \$1/hour and 5 hours max Monday - Saturday from 8am - midnight. Sundays are typically free.

Garage parking is available down the block at Corazon (orange circle) which is \$5/hour, and a metered lot directly behind our building on 6th Street (purple circle) which is also \$5/hour.

There is another parking lot on the corner of 7th & Medina (blue circle). During the week (8:00am-5:30pm) it is parking strictly for the Pet-Relocation Center, but it's a public parking lot outside of those hours and on weekends for \$5/hour.

This information current but subject to change since it is public parking & not owned or managed by Fair Market.
