The Junior League of Austin Rises to the Challenge of Recreating Its Iconic A Christmas Affair Into a Fully Virtual Event

AUSTIN, Texas – (July 22, 2020) – On Nov. 18-22 and for the 45th year, The Junior League of Austin (JLA) will present its annual A Christmas Affair to Central Texas. This year's event, however, will look much different than years past. After analysis of current directions from local and state authorities, and keeping the safety of our volunteers, merchants and guests in mind, A Christmas Affair 2020 will be a fully virtual event and marketplace.

The five-day holiday gift market kicks off the giving season each year and hosts more than 230 regional and national retail merchants. This year, The Junior League of Austin will use a platform that will allow the JLA to support small businesses from around the country and create interaction experiences for its virtual attendees. While not all the details have been finalized, the A Christmas Affair committee plans to make more specific announcements early this fall.

“The COVID-19 pandemic has challenged our organization and our members to think outside the box, get creative with essential operations, serve as stronger stewards of each donor dollar, and strategically plan for our future,” said Lyndsey Crawford, president of The Junior League of Austin. “The decisions we make today are not only about us, they are also about our organization and the people we serve. We have an obligation to the women who come after us to make sure they have the same opportunities for development and service that we have today.”

Every A Christmas Affair “ticket” purchased helps the JLA carry forth its mission of developing the potential of women and supporting the Austin community, by providing essential funding and volunteer hours to its signature programs such as Coats for Kids, FIT - Food in Tummies, and KICS - Kids in Cool Shoes, along with more than 30 local community non-profits.

“Our A Christmas Affair team—made up of 85 volunteers—is excited to reimagine the beloved and iconic holiday event that brings people of Central Texas together year after year, generation after generation,” said Keri Bellacosa Walling, chair of A Christmas Affair 2020. “With the committee’s vision and the plans that are already in the works, A Christmas Affair will continue

to be a source of happiness and holiday spirit, while passionately supporting small businesses and our community in these unique times.”
